July 3rd – Bar B Q picnic – Bring your grilling item. Picnic starts at 12 noon

July 10th – Azima Lila Forest – "The Power of Consciousness"
Unified Field Theory demonstrates that human consciousness affects matter. We will explore the ramifications of this for this troubled and amazing world we live in.

July 17th -- Athena Wolf -- "Curanderismo" Curanderismo is the body-mind-spirit folk-medicine that incorporates a variety of cultural healing modalities such as plants, tinctures, and healing songs.

Athena studied Western herbalism for 40 years; lived in an ashram practicing Kundalini yoga and Ayurveda for 26 years; and has degrees in Communications and Training Technologies. She works with Spirit and Nature to help others heal themselves and our world.

July 24th -- Siri Dharma Khalsa – "Aging Issues" with a discussion on managing the elder years.

July 31st -- Andrea Warner – "The Joys and Rewards of Service to Others" "In today's world, people experience two types of poverty: the poverty caused by lack of food, clothing and shelter, and the poverty caused by lack of love and compassion. Of these two, the second type needs to be considered first because if we have love and compassion in our hearts, then we will wholeheartedly serve those who suffer from lack of food, clothing and shelter." News from the Board:

The Board met on June 1st. Most of the meeting was devoted to redefining the Office Coordinator job description. Harriet Rogers has been an excellent Coordinator for the past several years and we thank her for her service. She is looking forward to retirement and is willing to help train a new person for a smooth transition in the office. The job description is posted in the Fellowship Hall. Please contact any board member if you or someone you know is interested in applying or knowing more about the position.

Thanks to Paul Michaud for readying the UUFSC building for hot weather. The cooling system is doing its job. Thanks also to Paul and Ron Gabioud for their efforts in the parking lot to align parking spaces.

The rock collection for the proposed labyrinth is growing under the tree behind the building. Thanks to Sarah Bohannon for donating her personal collection of many years. She has wonderful stories to tell about her rocks, coral etc.

The next Board meeting will take place **Sunday, July 31st** after service at the Fellowship. Any interested UUFSC members/friends are invited to join.

Jane Riger, Board Secretary
